RE: Petition of Bridgestone Americas Tire Operations, LLC for an Order
Compelling Dominion Energy South Carolina to Allow the Operation of a
1980 kW AC Solar Array as Authorized By State Law Docket No. 2020-63-E

Dear Ms. Boyd:

Bridgestone Americas Tire Operations, LLC ("BATO") submits this letter in support of the South Carolina Coastal Conservation League's ("CCL") Petition to Intervene, filed April 6, 2020. CCL was instrumental in the development of South Carolina's Generator Interconnection Procedures—the regulations at issue in this proceeding—and has a substantial interest in ensuring that those regulations are properly implemented as it regards self-consuming generating facilities like BATO's Solar Array. Further, CLL has been an advocate for the promotion, proliferation, and adoption of renewable energy sources to the benefit of the State of South Carolina's environment and citizens. Because CCL has a substantial interest in the outcome of this proceeding and the Petition to Intervene is in the public interest, BATO respectfully requests that the Public Service Commission enter an order granting CCL's Petition to Intervene. By copy of this letter, I am serving all parties of record.

If you have questions, please do not hesitate to contact me.

Sincerely,

ELLIOTT & ELLIOTT, P.A.

Scott Elliott
